

THE LANGUAGE OF THE STARS RESIDENCY KAYPACHA

Astrology Specialist Kaypacha provides profound celestial insights through workshops, online courses, and consultations. Beyond traditional astrology, Kaypacha's passion extends to transformative practices aligning individuals with their soul's purpose. With 45+ years of study, he combines diverse knowledge, including kundalini yoga and esoteric studies, fostering heart-centered astrological methods that integrate spiritual and holistic elements for comprehensive guidance.

Join Kaypacha on a unique journey around the zodiac, using sound, movement, and dance to help participants connect with the twelve signs. Kaypacha will explain astrology basics, explore the astrology of 2024 and address authentic creative and sensual expression through astrology. Sessions offer insights into soul journeys, evolutionary passages and the collective destiny challenges.

To fully benefit from the presentations, having a birth chart with Sun, Moon, and Rising signs is recommended.

PRIVATE SESSIONS

During this 1-hour session, Kaypacha will use your astrological birth chart to answer questions regarding any aspect of your life. Your chart is a virtual blueprint of your soul. From it, we will see why you are here, why you have chosen the situation you're in, and what next steps are best for your continued evolution.
